

## WILLIMANTIC

## THREE APPEALS GRANTED.

Archibald Sharpe and Herman Ruchman, of Willimantic, and John W. Hinzdo, Windham, Exempted.

Official word that the appeals of Archibald Sharpe, Willimantic, Herman Ruchman, Willimantic, and John W. Hinzdo, Windham, were granted, was received at the local headquarters in this city, Thursday morning.

Sharpe and Ruchman were exempted because each has a wife and child dependent upon him, while Hinzdo was exempted on industrial grounds, since he has a large farm in Windham which he operates.

There are several cases still before the board and it is necessary that these be settled before the next quota is sent, as there are not enough on the certified list from Hartford to fill the quota of 84 men who are to be sent.

## HARRY A. BUTLER

## REPORTS TO POLICE

## Was Rider of Motorcycle Which Ran Into Ambulance Horse.

Thursday afternoon, Harry A. Butler, of 549 Ash street, reported to the police that he was the motorcyclist who struck the horse attached to the ambulance, Tuesday evening.

Butler, who is employed in the repair shop attached to Leonard Bros. garage, was going up Walnut street at a good rate of speed, and the ambulance was going west on Valley street. They came to the corner of the two streets at the same time, and instead of stopping to allow the ambulance to pass, as the law requires, he speeded up and attempted to pass in front of the horse.

The horse on the left, and both motorcyclist and horse fell. The motorcyclist was not hurt for he got up and continued on his way. The harness of the horse which was knocked down was broken in many places.

The horse was not injured. A man was talked with at the station house Wednesday evening, but it was found that he was not the guilty person.

Butler said that he was told by one of the persons on the ambulance to con-

## WILL LEAVE OCTOBER 4.

## Next List of Men to Go to Ayer by Special Train.

The next lot of local men to leave for Camp Devens, Ayer, Mass., will leave this city at 3 o'clock Thursday afternoon, October 4, on a special train which will go by way of Putnam and Worcester.

The same number that left last time, 54, will go, but the route will be different.

The special train on which the local men will leave will make up at New Haven, leaving that place at noon. The train will pull out from here at 3 o'clock and will arrive at Worcester at 5:15. After a stop of ten minutes, it will proceed to Ayer, getting there at 6:25, a little over three hours altogether.

No meals will be provided except to those who are forced to stay in this city over night. Those who are to go have not been selected as yet, since not enough men have been certified by the district board, but an official list is expected at any time.

## Fire Alarm Disarranged.

The local fire alarm system got quite a little exercise, Thursday afternoon, when a high tension wire, the bell rang about every possible number, the indicator showing several numbers in the hundreds. The alarm came in so fast that the indicator could not register it and the automatic register made a continuous series of holes in the paper. From way that the signals came in, it was apparent after the first strokes that something was the matter; in all, about thirty strokes were made.

After investigation, it was found that the wire was crossed by a high tension wire, and why the system was not turned out in a wonder. The high tension burned out the fuse on the batteries and furnished the electricity for the signals.

## Argued With Woman, Got Into Trouble.

Thursday morning a man with a plank on his shoulder started to argue with a woman in front of the Jordan block. The man was working for the people who are building the block and when he turned to talk with the woman, one end of the plank went through the windshield of a Ford, which was being driven by the car owner requested that the man go and get him a new windshield but Foreman B. H. Hinzdo, who was driving the new windshield and sent him the bill. The employee who was carrying the plank was discharged.

## THREE GIRLS CAUGHT.

## Had Been Complained Against for Writing Indecent Matter on Walls.

There has been quite a little obscene language written on the rear of several buildings, near the alley between Cartier's drug store and the Stewart store. The matter was reported to the police by some railroad men, who had seen three girls writing there. Officer Gandy was sent there Thursday afternoon to do a little Sherlock Holmes work, but did not see the girls. A little later he was notified that the girls were there and Lieutenant McArthur was sent there. When he appeared, the girls started to run, but he called them back and took them to the station house, where they were reprimanded. The girls were 10, 11 and 13 years old, and they promised not to do such things any more.

## Will Address Men.

## STEEL SPRINGS CONCEALED.

## IN MATCH BOXES

## Manufactured in Sweden—Disclosed Made at Minneapolis.

Minneapolis, Minn., Sept. 27.—W. J. Kennedy, proprietor of a cigar store, today called the attention of federal agents to a supply of matches, manufactured in Sweden and purchased by Kennedy through a local wholesale house, which contained scores of small steel springs. Many boxes held two of the springs and contained only a few matches. Kennedy declared.

It was said the authorities would try to determine whether the conspirators had been in the city for some time in Europe instead of the United States.

## STUNNING CREATION OF PLUM SATIN AND GOLD

In the vanguard of the season's styles comes this bit of elaborate feminine adornment. It is a stunning afternoon gown of plum satin. The whole effect of the dress is one of elaboration. In fact, though an afternoon gown is suitable for almost all occasions except the ultra formal. Wide gold lace banding forming the shoulder straps, collar and cuffs is but one of the distinctive features. The seam banding is gracefully arranged to trim the tunic, and a deep cuff of rich fur furthers the tunic. Even the georgette sleeves are elaborate. They are trimmed with gold lace cuffs and gold ball buttons.
